## DEDICATION

*T*O OUR BELOVED PASTOR, FATHER GACQUIN, who has faithfully guided us, the class of 1958, through our years at Saint Patrick's, who stands for honor, justice and sympathetic understanding in all his associations with students and faculty alike.

Father Gacquin will always remain the steadfast beacon which guides the storm-tossed vessels of our high school days to a safe anchorage. He is a guiding light and a kindred soul to whom we can always confide our troubles, scholastic and otherwise.

So to you, Father Gacquin, we dedicate this 1958 PATRICIAN.

# MARY ACTIVITIES

During the course of the year the Children of Mary have participated in many activities to bring cheer to the lonely and help to the needy. The Children of Mary were off to a good start in '58 with a successful cake and candy sale held at Saint Peter's Church.

At the monthly meetings special devotional prayers are said and the emulation of Mary is their ultimate goal.

# RETREAT

*The annual high-school retreat was held on February 5, 6, and 7 with Father Francis J. Mooney, our cogent retreat master, presiding.*

*Father Mooney conducts one of the informal sessions during the retreat. Later, Father discusses certain controversial points with Jerry Hall and James Duke.*

# MAY PROCESSION

Sandra Pingue and Joyce Seelman, the attendants to our May Queen, Peggie Berberich, look on as she crowns the Blessed Virgin. Peggie was chosen the outstanding Child of Mary, well worthy of this great honor. Josephine Lanasa read the Act of Consecration on behalf of the Saint Patrick's parishioners.

This year's May Procession, held on May 18, was a soul-stirring spectacle displaying the fervent devotion of the student body to Mary.

The procession from school to church preceded the coronation and Act of Consecration. These events were climaxed by Benediction of the Blessed Sacrament.

# STUDENT GOVERNMENT

*Joseph Markow, President of the Student Council, with Sister Barbara, moderator, and Joanne Cecchini, secretary, conduct the monthly meeting.*

The purpose of the Student Government Organization is to instill in its senior members the admirable qualities of leadership and justice. The council is comprised of the senior class members whose "posts of duty" alternate bi-weekly. The discipline and order of the student body is determined by the "Ten Commandments of the Student Council."

## NATIONAL HONOR SOCIETY

Membership in the National Honor Society is ensured by maintaining a 90 average in each subject. Students in the sophomore class are recipients of honorable mention as probationary members while the juniors are inducted as new members and the seniors receive pins denoting full-fledged membership.

The flaming torch represents truth and wisdom and is symbolic of our purpose to bring the gleaming light of truth into the shadows of the world. The letters at the base of the pin stand for character, scholarship, leadership, and service.

Realization of the value of the four characteristics necessary for membership in this organization was emphasized on this day of honors.

The monthly meetings of the C.S. M.C. consist of reports given by the secretary and the treasurer, and a movie connected with some phase of mission work. Occasionally the members have the pleasure of learning new facets, ideas, and sources of stimulation of zeal, brought to mind by guest speakers.

“—and song fills the air—” The generous response of Saint Patrick’s Junior Choir is the answer to any appeal where music is needed. The beautiful voices of the all-girl choir have been heard over WRNL for the Legion of Mary Program.

They not only bring enjoyment and satisfaction to themselves but to all who listen to their repertoire of well chosen selections. Under the guidance of our beloved Sister Caroline, the Junior Choir has mastered the art of transposing mere words into beautiful melody. They have proved themselves a dependable and loyal organization of the school.

It is awfully hard for us to realize that at last the 1958 PATRICIAN is ready for the press. The Senior year always goes fast and for those of us who worked on the yearbook the time really flew, especially those last few hectic days before the deadline. There were so many heart-breaking, frustrating irritations: the copy that was never written, the photographer that stayed away when the students came, the millions of broken appointments, the lost pictures, the lost copy, and the lost tempers. It would never have been possible to produce this book without our hard-working Sister Gervase, whose timely advice and suggestions stimulated all of us to greater efforts.

# ACTIVITIES

# THANKSGIVING DANCE

*Amidst the turkeys, pumpkins, and bright fall leaves, the last big social function given by the Seniors was held—The Thanksgiving Dance. For weeks the Seniors planned the colorful decorations which added to the gaiety of their "Harvest Ball." Music provided by the "Starlights" helped to make this a never-to-be-forgotten affair.*

# CHRISTMAS ACTIVITIES

*A scene from our Christmas play, "Holy Mary Mother of God" picturing Haven Smith as Ray and Jeanette Brown as Blessed Mother.*

The Christmas Program was held on December 22, 1957. It was the first program held in our new auditorium. Preceding the play the new building was blessed by our pastor Fr. Gacquin. Msgr. Thomas E. O'Connell addressed those present and a final blessing was given by Msgr. Justin D. McClunn.

*Once again the most loved story was re-enacted. Jeanette Brown portrayed our Blessed Mother with Bernard Mann as Saint Joseph. The Christ Child was Baby Angela Haegle.*

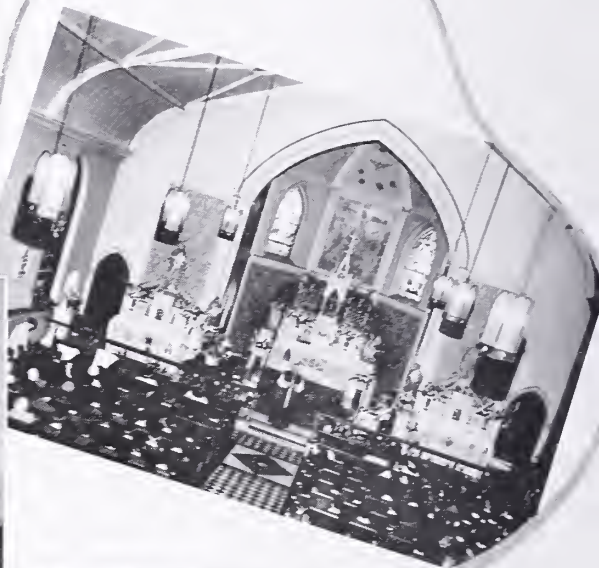

# VALENTINE'S DAY

The Juniors' Valentine Dance was the best ever—they really outdid themselves to make this a memorable evening. Bob Micheli crowned the Senior Candidate, Joanne Cecchini, Queen of Hearts. Other candidates were: Dottie Mooney, representing the Junior class; Dorothy Black, Sophomore; Mary Daly, Freshman. A new in music makers, "the Night Rockers" filled the hall with strains that enabled the dancers to have the perfect evening.

# SAINT PATRICK'S DAY ACTIVITIES

On March 17, St. Patrick's once more observed its annual tradition of Solemn High Mass. The celebrant of the Mass was Very Rev. Msgr. Justin D. McClunn. Bishops Peter L. Ireton and Joseph H. Hodges and many priests of the diocese were in attendance. The student body lent their voices to the singing of the Mass.

That evening the Irish were again in evidence as the "Shamrock Shindig" progressed. Spirits soared as all turned out to honor our great St. Patrick.

# NEW YORK TRIP

The Seniors' anticipation mounted to an all time high after the visits of Father Walsh, who helped us plan our New York trip. Finally, in a flurry of last minute instructions, hurried goodbyes, missing luggage and "Oh, I forgot's" we boarded the bus and were off!

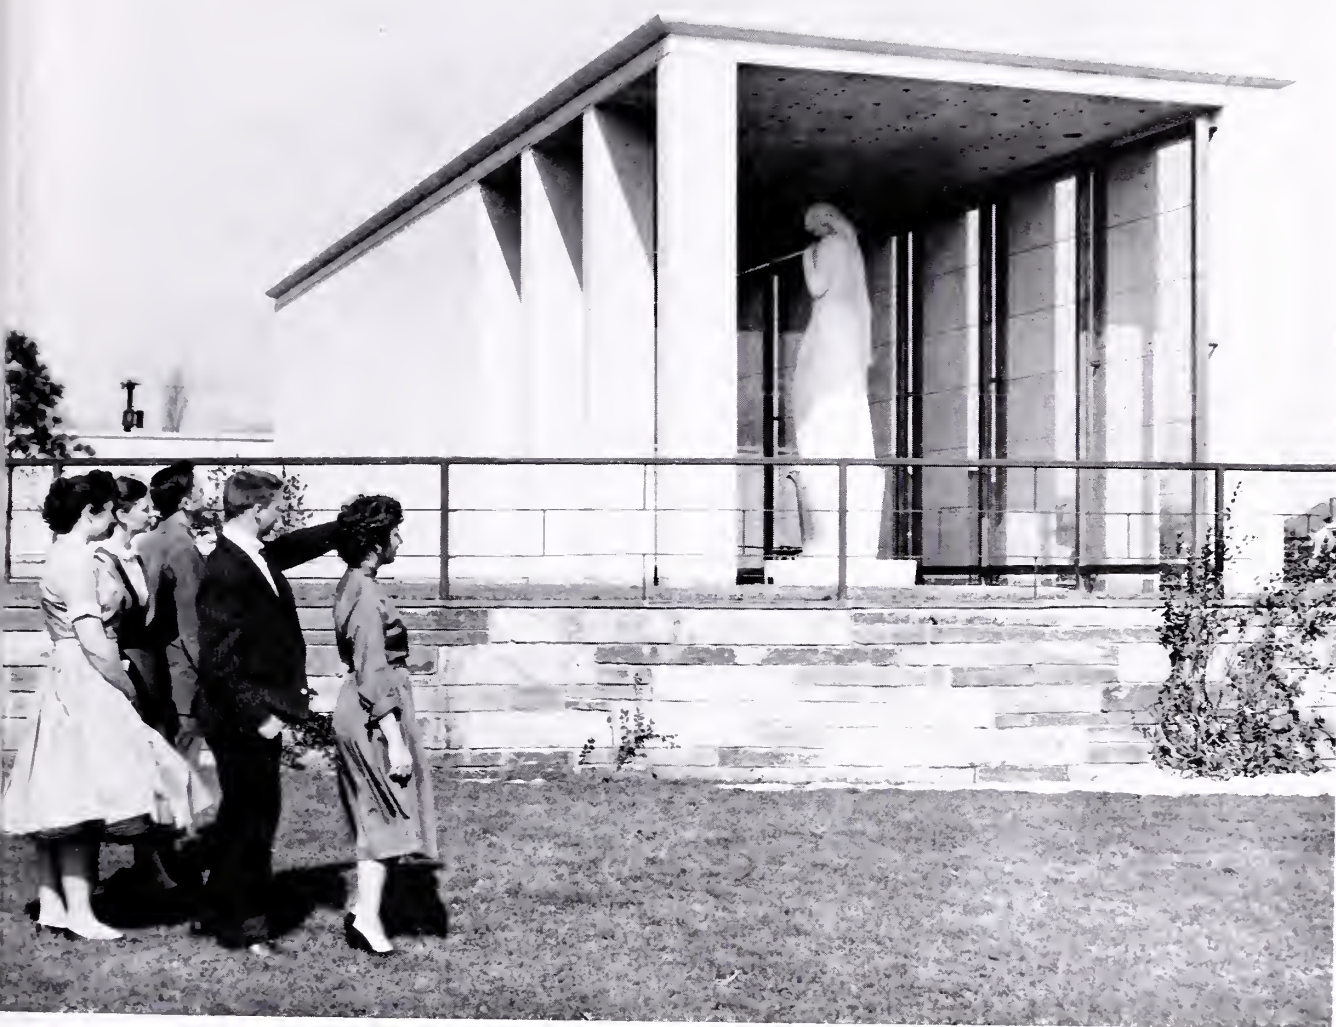

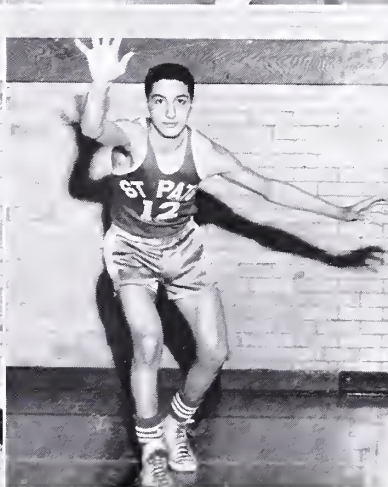

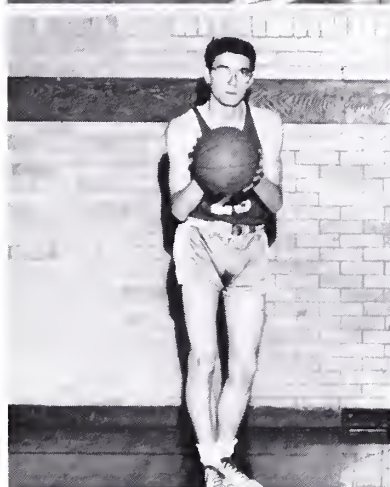

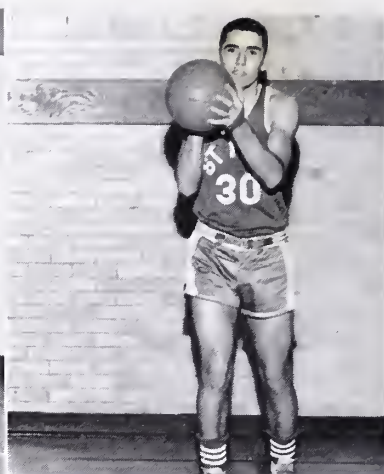

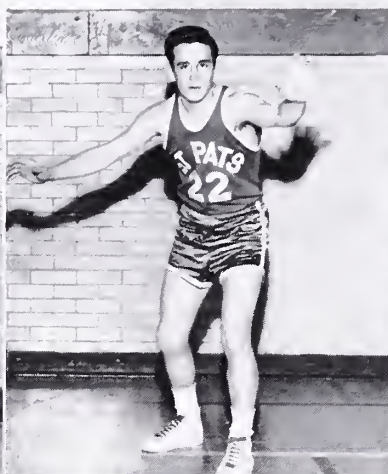

*"Oh, this room will never look the same again" rang through the halls of the Hotel President soon after our arrival. This was about the last our rooms would see of us until time to start for "Home Sweet Home."*

*We took a few minutes off from our high adventure to let those at home know we were still alive. (This wasn't completely our fault, you understand) Maybe if given enough time, New York will recover.*

## BOYS' BASKETBALL

With Coach Bobby Micheli behind the Patricians again this year, the fighting Irish finished up with a highly successful season.

The most tense and exciting game of the season was played on the night of February 22, when with the sound of the buzzer the Patrician five were off to another fast, hard-fighting, game against their old-time rivals, the Cadets. The crowd was hushed as the players readied themselves for the final quarter with the score of 31-31. Making 12 out of 15 foul shots during this quarter, the Patricians,

who nearly whipped Benedictine twice during the regular season, finally downed the Cadets for the first time since 1950, and put an end to the Cadet's four year reign as tournament champions.

The staff extends its congratulations to the team for its admirable efforts and good sportsmanship throughout the season. Thanks to Bobby Micheli for his outstanding coaching job. It has made history for us this year, and has made us proud to be called Patricians.

# ST. PAT'S SNAPS

*The first big calendar event of our '57-'58 date book was the Fair. The spirited Patricians took part wholeheartedly. Later in the year our cheerleaders brightened the Annual Tobacco Festival by their participation. Of course there was always a sock hop on the agenda.*

If you are an alert young woman, you'll find an "extra special" job at the telephone company.

You'll meet lots of young people your own age... work in pleasant surroundings... receive good pay while you're being trained... get regular raises. And you don't need any experience!

Best of all, you'll be helping almost everyone in your community. Why not find out more about the advantages of telephone work?
